QUALITY IS REMEMBERED LONG AFTER THE PRICE IS FORGOTTEN.

APPLICATION MANAGEMENT

Manual attendance marking and calculation leads to consumption of time and cost of the organizations.

Human errors, buddy punching and fraudulent time keeping are additional hidden expenses which directly affects the productivity of any organizations.

• With Biotap, you'll get:

- Visibility into overtime causes.
- The ability to automatically apply your time and pay rules as time is collected.
- Reporting that helps minimize the risk of costly legal actions.
- Scheduling so you have the right people in the right place at the right time.
